## Legend

1. A hangar: wooden construction with a ~~taw~~ paper roof, 70 x 70 x 25 meters. In the hangar were five gliders, one Fiesler-Storch, one Zlin, two sight-seeing planes of Czechoslovak make and two German fighter planes (used for training on ground. The airport is equipped with a searchlight and wind sock.
2. The airfield is covered with grass.
3. Military depot with tanks, armored cars, trucks and passenger cars of German make of World War II. The equipment is stored in the open. There are also Soviet tanks, Model Stalin II, in the depot.
4. A one-story wooden barrack.
5. The whole area of the military depot is enclosed by a wire fence, two meters high. The poles are made of concrete.
6. State highway made of asphalt.
